

LA DOLCE VITA

No one lives like the Italians do, and the typical fast paced try-to-see-it-all-in-three-days tour does not do Italy justice.

We believe that in order to truly enjoy Italy, one must dive in and immerse oneself in the lifestyle of the Italians.

Our “la dolce vita” experience is well suited for just that. Your accommodations are in a medieval castle and surrounding villas, located in the green hills of Umbria.

Todi is one of the oldest Etruscan villages in Italy, with cafes, shops, and incredible restaurants nearby, and centrally located to some of Italy’s greatest villages, towns, and cities.

Come live like an Italian, come experience la dolce vita!!

The itinerary below is our standard package, but as with all of our tour experiences, it can be customized to meet your group’s specific needs.

This is a two week experience, however, travelers have the option to do week one, week two, or the entire two week itinerary.
