The grounds of the Castle include the 12th Century castle and several beautiful villas with all amenities, spread out over 250 acres of olive trees and grape vines.

This area has many cafes, shops, and incredible restaurants nearby, and is centrally located to some of Italy's greatest villages, towns, and cities.

The Finer Points:

Prices start at \$1,875 per room, per week. We offer two classes of room, and the second class (which is generally more like a suite with a parlor, etc) runs \$2575 for the room. Both prices include not only the room rate, but also a welcome feast (inclusive of wine), a departure dinner (also with wine), a tasting evening including dinner at a local winery, and on the first day a cheese, cold meats and wine buffet. Other options are available at very reasonable rates.

These prices do not include airfare, or rental car if desired. We are contacting airlines and rental companies to negotiate a group rate from specific destinations, and will discuss those rates with you if interested.

Please note – these rates are PER ROOM, and PER WEEK. Most rooms accommodate two people, some with queen and king, and some with two twin beds. We will do our best to meet your needs, but rooms are limited so please book early if you have special requests.

We can also arrange accommodations in Rome, Florence, or other areas on either end of your trip, if needed.

A deposit of 50% is due upon booking, and is completely refundable up until March 31st, 2010, at which point the balance must be paid in full and is not refundable. If payment is made in full prior to December 31st, 2009, *we will be able to offer a \$100 discount on your rate.*
